

# REGINA - MARCH 2024

The City of Regina reported 312 sales in March, a year-over-year gain of over nearly 7 per cent and 23 per cent above long-term trends.

Strong monthly sales were met with a year-over-year decline in new listings, preventing any significant change in inventory levels. With just over two months of supply in the Queen City, persistent inventory challenges and above-average sales continue to place upward pressure on home prices.

The City of Regina reported a benchmark price of \$313,100 in March, up from \$310,600 in February and nearly 2 per cent above March 2023.

**SALES**
