

Hello!

The Saskatchewan REALTORS Care® Committee has asked me to connect with you to let you know about a **Good Neighbour Campaign** currently running in our province. The Good Neighbour Campaign is an initiative to champion the community and the neighbours who make our community feel like home. We like to call them, **Good Neighbours!**

WHAT YOU NEED TO KNOW TO PARTICIPATE!

Past and present REALTOR® Clients are invited to nominate a community member, friend, or family member by telling a story about how they have been a good neighbour. Nominations are made online and take under five minutes to complete. The stories will be highlighted on the Saskatchewan REALTORS® Association social media platforms and all good neighbour nominees will be entered to win great prizes.

TWO REASONS YOU SHOULD PARTICIPATE

1. You can help us find and recognize a good neighbour. You can nominate a community member, friend, or family member who has made a difference in your neighbourhood. There is no cost and no limits on who you can nominate! We are focused on celebrating the people who make our community feel like home.
2. Every Good Neighbour nominated will be entered into a weekly \$100 Fuel Card draw, and will also be entered into the monthly Grand Prize Draws of a \$500 Grocery Gift card.
